

YVONNE LI

Personal Website: <https://yvonneli.vercel.app/>

I build AI products that turn complex systems — legal logic, capital structures, legal frameworks — into tools can used. Live shipped 6 products related to my expertise. My background spans design, real estate finance, IP brand, and immigration law

EXPERIENCE

NEXTSTEP SERVICES

Irvine, United States

Co-Founder & Principal · California Registered Legal Document Assistant

Feb. 2025 – Present

- Self-sourced clients; advise international founders 0→1 on work visa strategy, entity formation, equity structure, and early operations
- Deployed LLM workflows (Claude, GPT-4) across client engagements to replace repetitive research, document prep, and analysis
- Built and shipped three AI products in parallel: H-1B Compass (live) — self-serve visa strategy engine with SOC matching, wage analysis, and lottery odds; Voice AI Agent and Legal Support platform — in development as future tools for 2C and 2B legal business

New Dream Services

Irvine, United States

Financial Analyst, Acquisition Manager

Aug. 2022 – Dec. 2024

- Managed \$25M+ commercial real estate portfolio across 7 properties (DCF, exit strategy) — outperformed market benchmarks by 5.5%
- Built financial models for 23 projects; supported full due diligence cycle across leases, comps, zoning, and market research
- Prepared investment memoranda and stakeholder presentations; coordinated acquisition pipeline, broker relationships, and financial reporting with external accountants

CBRE

Los Angeles, United States

Finance Intern, FP&A

Jun. 2022 – Aug. 2022

Investment Management • Developed a \$1B cross-border M&A investment case for CBRE's expansion into Australia, including valuation, scenario modeling, and pro-forma financials; recommended acquiring a local platform to capture undervalued assets

• Conducted 50+ industry expert interviews and synthesized qualitative market intelligence into strategic positioning; translated insights into executive-level investment thesis and decision materials for senior leadership (CEO, CFO)

Cooperate Finance • Streamlined global recruiting financial models by standardizing advisory commission structures, improving planning efficiency by 20% and enabling consistent cross-regional forecasting and performance analysis

• Led 7+5 and 6+6 rolling forecast cycles and built a benefit-realization framework in Power BI; delivered nine executive dashboards and scenario analyses to support senior leadership planning and operational decisions

Cushman & Wakefield

Chengdu, China

Real Estate Strategic Consultant

Feb. 2021 – Jul. 2021

Valuation and Project Management

- Co-led a 7.5-acre multiuse development generating \$10M in revenue, overseeing concept to completion as part of a three-person team
- Managed deliverables and coordinated with the due diligence team, ensuring compliance and integrating into a 118-page presentation
- Conducted valuations for financial reporting, tax, and litigation, maintaining high standards of technical and service excellence

Market Research and Due Diligence

- Performed 18 residential subdistrict community interviews, 5 on-site investigations, and 30 phone surveys focus on the submarket
- Participated in 7 real estate projects, attending government meetings, and engaging in bidding, producing key decision-making reports
- Analyzed market and due diligence data, assessing risks and opportunities across financial, environmental, and title documents for investment validation

SPS Dolls

Multiple Cities, China

Founder & IP Designer

Oct. 2019 – Jul. 2021

• Founded an original BJD IP brand for young adult collectors, built around character depth and identity resonance; launched parallel children's sub-brand (1/6 scale) for market segmentation

• Designed 15+ physical products across dolls, ceramics, resin casting, hand-blown glass eyes, and accessories; managed 5 factories across Dongguan and Yangzhou for end-to-end production

• Built omnichannel distribution across Instagram, Etsy, and Weibo; ran KOL partnership campaigns, sponsored 4 national collector conventions, and grew brand to ~\$350K ARR

• Represented affiliate wig, footwear, and apparel brands to extend product ecosystem; led 4-person team through full commercial operation

EDUCATION

Columbia University

Real Estate Development

New York, United States

Master of Science

Aug. 2020 – May 2022

Washington University in St. Louis

Economics, Architecture

St. Louis, United States

Bachelor of Science (Double Major)

Aug. 2016 – Aug. 2019
